2414 Stone Road, Ann Arbor, MI, 4815

EDUCATION/PROFESSIONAL POSITION

- Sep 2022 – Present **University of Michigan, Ann Arbor, MI, USA**
Ph.D. Candidate, Health Service Research, College of Pharmacy
Ph.D. Candidate (Joint Program), Scientific Computing, College of Engineering
M.S. Student, Bioinformatics, Medical School
- Apr 2020 – Aug 2022 **The First Affiliated Hospital of Sun Yat-sen University, Guangzhou, China**
Clinical Pharmacist & Perceptor
Sun Yat-sen University, School of Pharmacy, Guangzhou, China
Clinical Lecturer
- Sep 2016 – Apr 2020 **University of Michigan, College of Pharmacy, Ann Arbor, MI, USA**
*Doctor of Pharmacy (Pharm.D.), **National scholarship for tuition & stipend (~\$300,000)***
- Sep 2012 – Jun 2016 **China Pharmaceutical University (CPU), Nanjing, China**
Bachelor of Science in Pharmaceutical Science (The National Bio Base Program)
Presidential Scholarship (The University's Highest Honor)

INTERN & WORK EXPERIENCE

Oct 2025 – Present	HireGenics, Inc., Remote, USA Real-world Evidence Analyst (Part-time Contractor at AbbVie) • Synthesized large-scale real-world oncology data to identify treatment gaps in ovarian cancer, informing evidence generation and medical strategy decisions • Designed machine learning models to segment providers by engagement opportunity, enabling targeted Medical Affairs strategy and more efficient deployment of field resources • Launched and led an internal AI-driven analytics initiative, training colleagues on AI-assisted coding workflows and improving analytical efficiency across the team
Feb 2025 – Aug 2025	Merck, West Point, PA, USA Quantitative Pharmacology Co-op Intern (Mentor: Dan Li, Ph.D., Manager: Islam Younis, Ph.D.) • Conducted Model-Based Network Meta-Analysis (MBMA), nonlinear mixed effect, and random forest models to evaluate treatment efficacy, safety, and comparative effectiveness in ophthalmology clinical trials, supporting dose selection, go/no-go decisions, and competitive efficacy positioning • Used AI-assisted platforms (Covidence and Elicit) for efficient literature evidence extraction and digitization, and collaborated with IT to implement NLP-driven literature search • Completed internal NCA training and led a Phoenix study group with internal senior staff to strengthen modeling skills and foster team-based learning
Sep 2022 – Present	Medication Data Science Lab, University of Michigan College of Pharmacy, Ann Arbor, USA Graduate Student Research Assistant • Spearheaded the development of Python code interacting with GPT-4 API for analyzing large-scale medication-free-text description data from electronic prescriptions and dispensing records • Executed advanced R programming for the data mining and statistical analysis of millions of prescription change requests to understand pharmacist intervention patterns and related cost impact • Conducted randomized experiments and interviews with pharmacists to design and test a human-centered AI pill recognition support system • Dissertation work focuses on causal AI, Long Short-Term Memory (LSTM) networks, and ML to model and predict medication adherence impact on blood pressure, aimed at predicting individual treatment effects based on real-world data and medication-taking behaviors
July 2020 – Aug 2022	The 1st Affiliated Hospital of Sun Yat-sen University, Guangzhou, China

Clinical Pharmacist & Lecturer & Post-Doctoral Researcher

- Delivered clinical pharmacy services for 3 units (150+ patients each) and developed a new outpatient service for lung cancer patients using a novel medication management app, improving patient medication adherence
- Supervised two master's students in pharmacy research, guiding them to two successful publications.
- Taught a therapeutic course to 30 students, earning a teaching award and recording national exemplary pharmacology lectures
- Contributed to clinical pharmacology education by authoring a textbook chapter on PK-guided rational drug use and serving as book editor for the *Guangdong Hospital Formulary*

Sep 2018 – Dec 2019

Clinical Pharmacology Study Group Tutor, *University of Michigan, Ann Arbor, MI, USA*
5-10 hours/week, for first-year and second-year Pharm.D. students

- Provided weekly tutoring to first- and second-year Pharm.D. students, strengthening foundational understanding of pharmacokinetics and pharmacodynamics
- Developed supplementary learning materials and applied collaborative learning methods to facilitate peer engagement and concept mastery in PK/PD modeling

Apr 2018 – Aug 2018

Ding Xiang Yuan Clinical Drug Information App, *Hangzhou, China*
App Product Manager Summer Intern

- Interviewed thousands of our App users (physicians, nurses, and pharmacists) by phone calls and surveys to identify unmet needs
- Analyzed user data and feedback to develop proposals for App improvement and new functions, followed by plan presentations to the development team
- Upgraded the App to a new version by identifying demand, designing new functions, and writing version introductions

RESEARCH EXPERIENCE

July 2020 – Aug 2022

The 1st Affiliated Hospital of Sun Yat-sen University, *Guangzhou, China*

Project 1: Evaluation of quality and readability of Over-The-Counter (OTC) medication package inserts (Principal Investigator, PI)

Project 2: Combination of immune checkpoint inhibitors plus chemotherapy and risk of pneumonitis: an observational, retrospective pharmacovigilance study (PI)

Project 3: Assessment of the quality, accuracy, and readability of online information for patients regarding non-small cell lung cancer treatment (PI)

Mentor: Prof. Ke-Jing Tang, MD, Ph.D.

- Conceptualized, designed, and conducted a pharmacovigilance analysis based on big adverse reaction data from the FDA and WHO databases using R
- Utilized innovative multiple quantitative methods to analyze the OTC package inserts and online health information quality and readability

Oct 2018 – Apr 2020

Pharmacy Informatics Group, *University of Michigan, Ann Arbor, MI, USA*

Project: Evaluating the outpatient pharmacy transcription process of patient directions from electronic prescriptions in the United States

Mentors: Lester Corey, Pharm.D., Ph.D. & Mike Dorsch, Pharm.D., M.S.

- Applied innovative quantitative methods to characterize the medication direction transcribing process in terms of workload, readability, quality, and safety based on over 1 million directions using R and wrote the paper ([BMJ Quality & Safety](#))
- Proposed the research idea to apply a machine learning model and evaluated human vs. machine learning algorithm performance on patient direction transcription process ([EMNLP Findings](#) and [JAPhA](#))

SELECTED HONORS & AWARDS

Mar 2026

Rackham Predoctoral Fellowship (*One of the most prestigious awards granted by Rackham Graduate School*), *University of Michigan, Ann Arbor, MI, USA*

Mar 2026

Presidential Trainee Award, *American Society for Clinical Pharmacology and Therapeutics (ASCPT) Annual Meeting, Houston, TX, USA*

Mar 2025

Rho Chi Honor Society, *University of Michigan, Ann Arbor, MI, USA*

June 2024	Audience Choice Award , <i>Midwest Social and Administrative Pharmacy Meeting, University of Iowa, USA</i>
Nov 2023	Phi Kappa Phi Honor Society (Top 10%) , <i>Ann Arbor, MI, USA</i>
Apr 2022	The First Prize in the Healthcare English Teaching Competition <i>Sun Yat-sen University, Guangzhou, China</i>
Mar 2021	Top Article [link] , <i>BMJ Quality and Safety</i>
Apr 2020	Thomas D. Rowe Awards for outstanding service to the College, leadership, and good academic performance [link] , <i>University of Michigan, Ann Arbor, MI, USA</i>
2016 - 2017	Dean's Scholarship Award for Distinction , <i>University of Michigan, Ann Arbor, MI, USA</i>
Aug 2014	Honorable Volunteer , <i>The 2014 Summer Youth Olympic Games, Nanjing, China</i>
Jan 2014	The Presidential Scholarship (<i>The University's Highest Honor</i>), <i>CPU, Nanjing, China</i>
Dec 2013	Merit Student (Top 2.5%), <i>CPU, Nanjing, China</i>
2013 - 2016	School Scholarships , every year, <i>CPU, Nanjing, China</i>

LEADERSHIP

Aug 2025 – Present	Founder & President , The International Society for Pharmacoepidemiology Student Chapter <i>University of Michigan, Ann Arbor, USA</i>
Apr 2024 – Present	Co-President , Annappella (A Cappella Club), <i>University of Michigan, Ann Arbor, USA</i>
Jan 2023 – Jan 2025	Graduate Student Committee Member , <i>University of Michigan, Ann Arbor, USA</i>
Dec 2018 – Apr 2020	Pharmacy Student Ambassador , Pharmacy Program, Chinese Social Media (Weibo) Executive <i>University of Michigan, Ann Arbor, USA</i>
Sep 2018 – Sep 2019	Member , College Mental Health Committee, <i>University of Michigan, Ann Arbor, USA</i>
Sep 2018 – Sep 2019	Member , Student Oncology Group (SONG), <i>University of Michigan Rogel Cancer Center, Ann Arbor, USA</i>
Apr 2017 – Apr 2020	Member , College Honor Council, <i>University of Michigan, Ann Arbor, USA</i>
Apr 2017 – Apr 2020	Member , Pharmacy Student Government Council, <i>University of Michigan, Ann Arbor, USA</i> Class Representative; Treasurer (2018 – 2019)
Feb 2017 – Apr 2020	Member , Annappella (A Cappella Club), <i>University of Michigan, Ann Arbor, USA</i> Board Member; Tenor Group Leader; Social Media Executive
Jun 2013 – Jun 2014	Tenor Group Leader , University “Ling Xiao” Chorus, <i>China Pharmaceutical University (CPU), Nanjing, China</i>
Sep 2012 – Mar 2013	Secretary , Youth League, <i>China Pharmaceutical University (CPU), Nanjing, China</i>

PROFESSIONAL MEMBERSHIP

Nov 2025 – Present	Member, The International Society for Pharmacoepidemiology (ISPE)
Nov 2025 – Present	Member, American Society for Clinical Pharmacology and Therapeutics (ASCPT)
Nov 2022 – Nov 2023	Member, American Medical Informatics Association (AMIA)

PROFESSIONAL ACTIVITIES

Jan 2023 – Apr 2024	Graduate Student Instructor , CPTS 832: Pharmacy Informatics, <i>University of Michigan</i>
Aug 2020 – May 2022	Clinical Research Mentor , The First Affiliated Hospital of Sun Yat-sen University MS students in Clinical Pharmacy: Yang Tang, Yuhui Xu MS student in Medicine: Huixia Li, Zimu Li Undergraduate student in Clinical Pharmacy: Lanping Li Yifan Zheng

Aug 2020 – May 2022 **Co-Course Coordinator & Lecturer**, Therapeutics Course, Sun Yat-Sen University

Reviewer for scientific journals (16 peer review records of 12 manuscripts): *International Journal of Medical Informatics, Research in Social and Administrative Pharmacy, Frontiers in Public Health, Frontiers in Pharmacology*

ADVANCED PHARMACY PRACTICE TRAINING

Feb 2020 – Apr 2020	University of Michigan College of Pharmacy, Ann Arbor, MI, USA COVID-19 Research Preceptor: Clinical pharmacy faculty
Jan 2020 – Feb 2020	Michigan Medicine, Ann Arbor, MI, USA Health System/Hospital Preceptor: Dana Blanchard, Pharm.D.
Nov 2019 – Dec 2019	Optum, Health Informatics, Ann Arbor, MI, USA Real World Market Share Analysis Preceptor: James Schaeffer, Vice President – Optum Enterprise Analytics, Pharm.D.
Sep 2019 – Nov 2019	University of Michigan College of Pharmacy, Ann Arbor, MI, USA Teaching Skills Preceptor: Prof. Rima Mohammad, Pharm.D.
Jul 2019 – Aug 2019	Beaumont Hospital - Dearborn, Dearborn, MI, USA Drug Information Preceptor: Lama Hsaiky, Pharm.D.
Jul 2019 – Aug 2019	Henry Ford Medication Therapy Management Clinic, Jackson, MI, USA Ambulatory Care (Anticoagulation) Preceptor: Lori Hamlin, Pharm.D.
Jun 2019 – July 2019	C.S. Mott Children's Hospital, Ann Arbor, MI, USA General Medicine Preceptor: Christine Egenti, BSN, RN, Pharm.D.
May 2019 – Jun 2019	Rite Aid, Ann Arbor, MI, USA Community Pharmacy Preceptor: Ayumi Ueda, Pharm.D.
